Technology and Service Overview

Engineering and Design

- Customer Specific Solutions
- Flow Analysis and Process Optimization
- Project Planning

Hot Runner Technology

- Complete Hot Halves
- Manifold Systems
- Single Bushings

Rheo-Pro® Controllers and Processing Solutions

- Injection Control
- Temperature Control
- Production Intelligence

Rheo-Pro® Hot Runner Systems

- Internal Valve Gates
- Valve Gates
- Thermal Gates

Industries

- Industry Partners
  - OEMs
  - Molders
  - Moldmakers
  - Mold Designers
  - Part Designers
